

# RING BLANK SIZING CHART

To determine your ring blank length, find the desired ring size in the far left column, then read across to the appropriate material thickness.

\* Add 0.5 mm to the length of the blank if the width of your material is greater than 4 mm.

| US<br>Ring Size | Metric<br>Ring Size | Diameter<br>(mm) | Circum.<br>(mm) | Material Thickness |        |        |                  |        |        |                  |        |                  |        |                  |                  |
